W-1303A-09-0343

Dear Sir or Madam;

Respectfully urge the Commissioners of the Arizona Corporation Commission (ACC) to vote for **full consolidation** of the wastewater districts under EPCOR management in the Phoenix metro area to include: Agua Fria, Anthem, Sun City, and Sun City West. In support of this decision, I urge you to consider the following:

Verrado and other Agua Fria ratepayers are unduly impacted by the current **deconsolidated** structure, paying 300% of normal rates for Metro Phoenix. That **deconsolidated** rates are negatively impacting the financial health of each affected ratepayer. That **deconsolidated** rates are negatively impacting the growth and development of our community. That everyone benefits from the growth and development of greater Phoenix, and that **fully consolidated** cost-sharing, where feasible, is fair and reasonable. That a simplified rate structure with **full consolidation** works to the long-term advantage of **all** ratepayers, regardless of district. Costs of future repairs, upgrades, maintenance, and growth will be distributed across a much larger ratepayer group with **full consolidation**, reducing the impact to any single ratepayer.

Thank you for your time and consideration on this extremely important matter.

Dear Sir or Madam;

Respectfully urge the Commissioners of the Arizona Corporation Commission (ACC) to vote for **full consolidation** of the wastewater districts under EPCOR management in the Phoenix metro area to include: Agua Fria, Anthem, Sun City, and Sun City West. In support of this decision, I urge you to consider the following:

Verrado and other Agua Fria ratepayers are unduly impacted by the current **deconsolidated** structure, paying 300% of normal rates for Metro Phoenix. That **deconsolidated** rates are negatively impacting the financial health of each affected ratepayer. That **deconsolidated** rates are negatively impacting the growth and development of our community. That everyone benefits from the growth and development of greater Phoenix, and that **fully consolidated** cost-sharing, where feasible, is fair and reasonable. That a simplified rate structure with **full consolidation** works to the long-term advantage of **all** ratepayers, regardless of district. Costs of future repairs, upgrades, maintenance, and growth will be distributed across a much larger ratepayer group with **full consolidation**, reducing the impact to any single ratepayer.

Thank you for your time and consideration on this extremely important matter.

Sincerely,

Dear Sir or Madam:

Respectfully urge the Commissioners of the Arizona Corporation Commission (ACC) to vote for **full consolidation** of the wastewater districts under EPCOR management in the Phoenix metro area to include: Agua Fria, Anthem, Sun City, and Sun City West. In support of this decision, I urge you to consider the following:

Verrado and other Agua Fria ratepayers are unduly impacted by the current **deconsolidated** structure, paying 300% of normal rates for Metro Phoenix. That **deconsolidated** rates are negatively impacting the financial health of each affected ratepayer. That **deconsolidated** rates are negatively impacting the growth and development of our community. That everyone benefits from the growth and development of greater Phoenix, and that **fully consolidated** cost-sharing, where feasible, is fair and reasonable. That a simplified rate structure with **full consolidation** works to the long-term advantage of **all** ratepayers, regardless of district. Costs of future repairs, upgrades, maintenance, and growth will be distributed across a much larger ratepayer group with **full consolidation**, reducing the impact to any single ratepayer.

Thank you for your time and consideration on this extremely important matter.

Sincerely,

Verrado Resident
